AND PHOTOGRAPHERS

For the past year, Roy Carré and Mike Cunningham have been working with Tony Bisson to produce a comprehensive fourth edition of Tony's book *A List of the Birds of Guernsey* illustrated with 175 colour photographs taken locally by Roy and Mike. The new book simply called *The Birds of Guernsey* is now available at selective outlets at a price of £12.50. The trio are hoping to raise a substantial sum of money for bird conservancy projects and you can help maximise this by purchasing your copy direct from one of them rather than through the retail outlets. All enquiries should initially be directed to Mike on 723393 or email maajmc@me.com.
