♀	<i>Figroll</i>	2025	Cerise (205)/ Cerise (217)	Black (301)/ Brown (302)	Wild

ID list of Red-billed choughs in Jersey, Channel Islands 2025

List subject to updates.

The very first choughs released into Jersey were given a black leg ring with a unique code in white writing.

This was changed the following year to a red and white striped ring (R-Wstriped); the colours of the Jersey flag.

Most Jersey choughs then have two other plastic rings; the bottom colour refers to year of hatch, the top colour is unique to the bird in that year group.

2025's year colour is: Brown.

Please note all ringing is carried out under license from the States of Jersey
